Chapter 1

"God damn it Bella this is not something I want to talk about right now". Bella looked at her mate. of course he didn't, he never wanted to talk about the future especially when it came to his daughter Nalla. she was 24. Very close to her transition. They had to talk about finding her a male to feed from, and they way it was going it was going to be so god damn hard. She just hoped he did not wait until she had no time left to find her one. "Zsadist....I think this is something important and we need to talk abou...." "Fuck that Bella, we will talk about it later". She sighed in defeat, she really hoped that he would change his attitude about the situation because the way it was looking...their daughter didn't have much time left.

Zsadist walked out of the room. How the fuck did she expect him to look for someone for his daughter to feed from. He ran his fingers through his buzzed off hair. Damn, damn, damn, this is going to be hard. He though for a moment. What can he do, he was lost. he walked down the hall of statues it was still a few hours until sundown. He walked past wrath's study. Hold on...he had an idea....he was not to sure how the king would like it but he had to try. "god damn it". He didn't want to do this but this was the best for his child. He almost lost her once and he was not going to risk it again. He just wondered the repercussions for what he was about to ask
